

# Quick Guide

## *BerryQuery designed for BlackBerry® Wireless Handheld*

### About

*BerryQuery* is a unique and comprehensive BlackBerry®-related search engine for your convenience. By including all important BlackBerry information sources available on the Internet *BerryQuery* provides a complete collection of any information related to the BlackBerry®.

### Free

*BerryQuery* is free for use for anyone. No matter you use it on your private or business BlackBerry®.

*BerryQuery* is completely free – free as in “FREE BEER”! :-)

### Installation

Extract all contents of the .zip file to a single directory and select the .apk in the “Application Loader” of your “BlackBerry Desktop Manager”. Follow the instructions and the program will be installed on your BlackBerry®. A more detailed guide on third party program installation can be found here:

- [Install Applications using a Microsoft Windows Desktop](#)
- [Install Applications using a Mac OS X Desktop](#)

### Usage

*BerryQuery* is very easy to use! Just click on the icon on your BlackBerry®’s desktop (home screen) and enter the keyword(s) that are related to the question you need an answer for.

The browser will open and present you links and previews to the results for your specific search query.

*BerryQuery* also provides you with free links to BlackBerry® information at any place in your BlackBerry®.
